Hence the exodus and subsequent covert lives of survivors, who never lose that way of life in which they sing, dance and embrace endless. Visually, the happiness and welfare of trolls is manifested through a multicolored explosion in digital 3D animation, leveraging its potential to highlight not only their perennial rainbow, but also every hue and texture. The optical burst is even hallucinogenic.

To contraterrestar surfeit of joy, represented by Poppy Princess (with voice in Spanish and English Belinda Anna Kendrick), we have the bitter and almost monochrome Branch (in Spanish Aleks Syntek, English Justin Timberlake). Since the start of the tape, we managed to qualify through it the dangers of unbridled optimism, that at times verging on stupidity and affect the status quo.”...

The balance, therefore, is essential. But even so we got rid of a delirious eschatology, where cakes flavors defecate and flatulence are expressed in glitter. Trolls, incidentally, are a line of Danish toys dating from the late 50s, created by the Danish Thomas Dam and taken from Norse mythology. Since 2013 Dreamworks acquired the brand.

Following the formula imposed by the first animated feature story, Snow White and the Seven Dwarfs (1937), each character apparently homogeneous group distinguished by certain peculiarities that define their personality. As the Smurfs, for example.

#3 A great release date: July 11, 2016

Let there be no doubt us, then that is an announcement of toys hour and a half. A lively and entertaining ad, which consciously abuses his joviality and mocks himself, to finally pass it with the support of an effective soundtrack....

## Trolls Development
